Applicants reserve the right to establish the scope of the invention, as defined by the claims, the patentability of the claimed invention over any of the information provided herein, and/or to provide that this information may not be prior art, and/or to prove that the information may not be enabling for the teachings purportedly offered.

Pursuant to 37 C.F.R. § 1.97(c), Applicants submit herewith the fee as set forth in 37 C.F.R. § 1.17(p) necessary for consideration of this Information Disclosure Statement.
